

Emily Michaud

Emily Michaud is an artist born and raised in the perennial sunshine of Northern Colorado, and at present resides among the lovely, beer-loving, mountain-hiking citizens of Fort Collins, Colorado. As is similar with many that have come before her, Emily spent her childhood drawing and painting with a fervor that led to her pursuit of a career in the arts. Emily is working to obtain a Bachelor's Degree of Fine Arts with a concentration in Graphic Design from Colorado State University. In addition, she is also currently completing an internship for graphic design and media relations at The Youth Sports Academy. Emily focuses primarily on watercolor as a medium, and works to incorporate that into every piece of art that she completes, including graphic design projects. Her works often have an overriding theme of nature and whimsy, and explore the way that man-made objects interact with the natural world. Emily is also passionate about literature and geek-culture, and loves making illustrations related to books, movies, and stories, which she sells at Comic Cons throughout the Front Range. In her future, Emily envisions a life of constant art-making, adventure, and travel, and plans on living in Europe while experiencing the world and being an artist.
